

FBSU College of Engineering Summer Internship Training Weekly Log Sheet

College Vision: To be a beacon of engineering excellence in the Kingdom of Saudi Arabia and beyond, shaping a future driven by innovation, research, and societal impact.

This log sheet should be filled out at the end of each week by the trainee in English. Trainee should submit this log sheet to the supervisor/trainer at the end of each week for evaluation and signature. The supervisor/trainer should give the trainee suggestions to enhance their performance. After getting this log sheet graded and sealed, student should submit the original hard copies of the eight reports along with the student report detailing all weeks activities to the academic supervisor.
