

# Professional Development for English Language Educators

## AE Website

The American English website provides free, downloadable resources for teaching and learning American English language and culture at [americanenglish.state.gov/resources](http://americanenglish.state.gov/resources).

## English Teaching Forum

English Teaching Forum is a quarterly journal with articles on ELT trends, teaching techniques, and classroom activities for English language teachers overseas at [americanenglish.state.gov/forum](http://americanenglish.state.gov/forum).

## AE Social Media

Join our communities of English language learners and teachers from around the world and stay up-to-date on our programs, events, and content at [americanenglish.state.gov/social-media](http://americanenglish.state.gov/social-media).

## AE YouTube Channel

The American English YouTube Channel provides engaging professional development and American English language and culture videos for English teachers and learners at [youtube.com/@americanenglishatstate](http://youtube.com/@americanenglishatstate).

## AE for Educators

The American English for Educators Facebook community is for English language educators to share resources and participate in monthly Teachers' Corner discussions at [facebook.com/americanenglishforeducators](http://facebook.com/americanenglishforeducators).

## AE at State

The American English at State Facebook community is a resource learning American English language and culture through graphics, videos, and discussions at [facebook.com/americanenglishatstate](http://facebook.com/americanenglishatstate).

## OPEN

The Online Professional English Network (OPEN) program offers virtual learning opportunities to foreign English language educators, professionals and learners worldwide at [openenglishprograms.org/about](http://openenglishprograms.org/about).

## Global Online Courses

OPEN Global Online Courses (GOCs) are virtual courses for English language educators overseas nominated through the Public Affairs section of your local U.S. Embassy. Find out more at [openenglishprograms.org/GOC\\_Information](http://openenglishprograms.org/GOC_Information).

## AE Live Webinars

American English Live offers three series each year of six Facebook Live professional development sessions and other events for English language educators around the world at [openenglishprograms.org/liveevents](http://openenglishprograms.org/liveevents).

## MOOCs

The OPEN Program offers free Massive Open Online Courses (MOOCs) for English language educators and learners at [openenglishprograms.org/MOOC](http://openenglishprograms.org/MOOC).
