Master Degree of Electrical Engineering (Study Plan)

Areas of Specialization/tracks:

Energy and Power Renewable Energy Communication and Systems (Thesis track or **EPS** Network Systems (Thesis Systems (Thesis track or RES CNS Non-thesis track). track or Non-thesis track). Non-thesis track). All specializations/tracks Semester 1 Semester 2 ELEE XXX Specialization Elective **ELEE 500** Probability & Stochastic Processes First Year Specialization Elective ELEE XXX **ELEE 501** Linear System Analysis General Elective ELEE XXX ELEE 503 Advanced Control Systems **ELEE 599** Research Methodology Semester 1 Semester 2 All specializations (Thesis track) Second Year ELEE XXX Specialization Elective ELEE XXX General Elective ELEE 610A Research Thesis **ELEE 610C** Research Thesis ELEE 610B Research Thesis ELEE 610D Research Thesis Semester 1 Semester 2 All specializations (Non-thesis track) Second Year ELEE XXX General Elective ELEE XXX Specialization Elective General/Specialization Elective ELEE XXX **ELEE XXX** Specialization Elective ELEE XXX General/Specialization Elective **ELEE XXX** General/Specialization Elective **ELEE 611** Engineering Design Project
