

Ahmed H. Al-Shahrani

Ahmed Al-Shahrani is a seasoned & practiced project management professional with extensive experience in Construction Projects, Planning, and delivery of giga-scale developments.

He is currently serving as Planning Manager Capital-PMO, NEOM, where he leads strategic planning and project performance initiatives across complex, multi-disciplinary programs.

Over his career, Ahmed has worked with the largest contracting company in Saudi Arabia, Saudi Binladin Group (SBG), and then with leading global firms such as PARSONS and BECHTEL, contributing to landmark projects including the King Abdullah Financial District (KAJD) and NEOM. His expertise spans project scheduling, Primavera P6, Power BI analytics, and portfolio management for large-scale infrastructure and real estate programs.

Ahmed holds a Master's degree in Transportation Engineering Planning and Management from Texas Southern University (Houston, USA) and a Bachelor's degree in Civil Engineering from King Saud University. He is a member of the Saudi Council of Engineers and the Project Management Institute (PMI).

Recognized for his achievements with multiple awards, including Bechtel's Top 5 Performers, Ahmed brings a strong record and commitment to advancing engineering excellence in Saudi Arabia.
